

Growing Team

Our farm in Kent spans approximately 20 hectares of glass and 31 hectares of outdoor polytunnel. Working within our team means you are an integral part of the company's operations, essential for executing our vision for the future and setting the tone for other colleagues.

If you are a collaborative team player who can deliver on your responsibilities and enjoy being active (you will be walking all day), we have a fantastic opportunity for you to work and develop in a dynamic environment.

Irrigation

The outdoor growing team is seeking an enthusiastic individual to assist us with the irrigation of our crops.

This role requires flexibility during busy periods, as you may need to undertake other tasks. It is a physically demanding role, requiring walking and standing for long hours.

This position requires working with chemicals and fertilisers; training will be provided.

Are you the ideal candidate?

- Good communication skills
- Good level of fitness (walking several kilometers a day).
- Attention to detail.
- Self-motivation.
- A driving license is preferred but not essential.

Hours will be consistent throughout the season.

To apply, please send an email to katyastanchovska@sagroup.co.uk.

The deadline for applications under this advertisement is Friday, 29 March.
