

Workshop Supervisor (Kent)

Our farm in Kent comprises approximately 20 hectares of glass and 31 hectares of outdoor polytunnel with associated living accommodation for our guest workers. Working within our team means you are an integral part of the company's operations; you play a vital role in executing our vision for the future and setting the tone for other colleagues.

If you are a team player who can fulfill your responsibilities with strong communication skills and attention to detail, we have a fantastic opportunity for you to work and grow in a dynamic environment.

Workshop Supervisor

We are seeking an enthusiastic and committed individual to oversee the day-to-day running of the Workshop department at our Kent site in Hernhill, Faversham.

This is a hands-on role, where you will lead your team in all day-to-day functions in the workshop. You will supervise tasks and ensure that safe ways of working are being followed. You will need to demonstrate great people skills; be able to drive productivity, ensure high standards of work and keep projects to timescales and budget. The role will require an understanding of the costs associated with each task to help drive efficient solutions in the department.

This position will involve physical work, including lifting, carrying, and moving heavy items.

Candidate Requirements:

Essential:

- Strong communication and organisational skills.
- Experience in leading and supervising teams.
- Attention to detail.
- Great problem-solving skills.
- Self-motivation
- Good understanding of general maintenance tasks and timescales required.
- Experience of handling external contractors.
- IOSH or NEBOSH qualification (or willingness to obtain this)

Desirable:

- Engineering or maintenance background.
- Relevant qualifications such as a Diploma in engineering, 18th Edition etc.

The role is offered on a permanent, full-time contract, based on a 48-hour working week. Due to the nature of the role, weekend and unsociable hours may be required. You will also form part of an out of hours call out Rota.

To apply, please email Richard Acton, HR Manager - richardacton@sagroup.co.uk.

The deadline for applications under this advertisement is Friday, 7th June 2024. This advertisement may be removed early if enough applications are received.
