

Excellent Opportunity in our Workshop (Marden)

Welding is an important task in agriculture during all times of the year.

A working knowledge of key welding processes is vital when equipment breaks down, especially during planting and harvesting times.

In addition to equipment breakdown, repairs and maintenance, you will also be involved in creating bespoke metalwork and contributing to large-scale projects.

Welder/Fabricator

An exciting opportunity has arisen for an experienced welder/fabricator based at our workshop in Marden, Herefordshire.

The main responsibilities are:

- Welding and Fabrication of Farm machinery and all areas of the business.
- Fault finding and repair of farm machinery.
- Brake press and guillotine work.
- Bandsaw and Plasma cutting work.
- Press work.

Essential Skills

- Good literacy and numeracy skills.
- Can read and understand engineering drawings.
- Able to produce welds to a consistently high standard.
- Working knowledge of welder settings.
- Able to troubleshoot welding problems.
- Ability to work in a team.
- Be willing to assist in all aspects of new installations and repair work.
- The ability to speak fluently in English or Russian.

This is a full-time, permanent position offered on an agricultural contract. Typical working hours Monday-Friday 07:30-17:00 and Saturday morning when required.

Rate of pay £11.01 per hour.

Please apply by email to applications@sagroup.co.uk and attach an up-to-date CV and confirmation that you have read our Candidate Privacy Notice, available on our website.
